## COME AND JOIN THE TOUR!

Putrajaya is a planned city and the federal administrative of Malaysia. One of the beautiful architectures is the Putra Mosque, which is made from rose-colored granite with a pink dome. Nearby is the immense, green-domed Perdana Putra, which contains the prime minister's office complex.

UPM Edu-Park is one of the NBOS initiatives and its purpose is to provide modules of experiential learning which are fun and interactive. Measuring up to over 1000 acres, you will appreciate the breath-taking views of the vast plantations and beautiful landscapes.
